

CARDS FOR SCHOOLS

CHRISTMAS FUNDRAISER 2023

Dear Parents,

This year we are delighted to be participating in the Christmas fundraiser with Burwell Print Centre's **Cards for Schools Project**. The funds raised through your purchases will be used to benefit your school.

Your child has brought home with them the amazing artwork they have created. Burwell Print Centre can print this design onto high quality stationery including cards, postcards, sticky gift labels and magnets ready for you to share with friends and family. Your child's name will be printed onto the reverse for that personal touch!

If you would like to order please fill in the artwork order form clipped to their design. Check your child's name is spelt correctly and is exactly how you would like it printed onto the items, then fill in the quantity of each product that you would like to order. Your payment should be made to the school or nursery with the order.

All order forms with payment must be returned by and your products will be handed out at school in early December.

Christmas and Thank you cards with a unique design by your child are a lovely treat for friends and family, **please support your school by ordering.**

Any queries please contact at your child's school.

Many thanks for your consideration.

YOUR SCHOOL IS PROUDLY SUPPORTING BURWELL PRINT CENTRE

Burwell Print Centre is a thriving digital print shop, that provides work experience and training for adults with additional needs. We are a small, dependable and friendly organisation offering a personalised service and a 'one stop design and print shop' to help see your ideas through from start to finish.

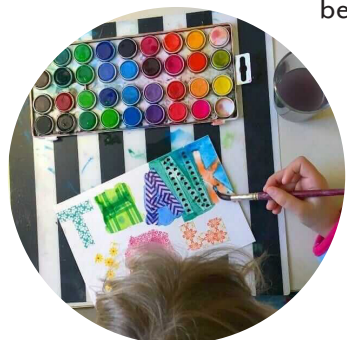

We are a social training enterprise supporting 30 people with additional needs known as "printers" who are involved in all aspects of running the centre and the work we produce. By supporting us you will help us continue to make a difference by providing fulfilling employment to people with disabilities.
