ARTWORK ADVICE

- Please note which edge is the top on the back of your child's design.
- Do not staple, but please paperclip artwork to this order form.
- Please double check the spelling of the child's name on this form, as this is how it will be printed on the items.
- Bright, bold and simple designs work best using paint, coloured pens and pencils.
- Leave a 1 cm gap all the way round the edge of the paper (as this is often cropped off during production.)
- Designs need to be flat for us to scan.
- Don't use glitter, plain grey pencil, or metallic ink as these don't reproduce very well.

Your school is pleased to be working with Burwell Print Centre, a social enterprise training & supporting adults with learning disabilities, providing quality design & print.
